

Major Guides

What: For any major you are interested in, the Major Guides can tell you:

- The educational objectives of the major – the knowledge and skills you would acquire
- What College the major is housed in
- How to declare the major
- Where to get advising for the major
- How many credits are required for the major
- Which courses are required for the major
- Courses that could apply to both the major and GUR
- Sample careers related to the major

Where: You can find copies in the Academic Advising Center located in Old Main 380 or on our website at <http://www.wvu.edu/advising/> under “Hot Topics”

Who: Major Guides are provided by the Academic Advising Center in collaboration with all the major departments.
