

INFORMATION ON DIRECT ENTRY MASTERS IN NURSING PREREQUISITE

(3 semester hours/credits = 5 quarter credits)

State	College/ University	QTR or SEM	URL	GPA	Biology	Chemistry	Social Sciences including Psychology	Statistics	English/Communication	Nutrition	Other
AL	University of South Alabama	SEM	http://www.southalabama.edu/nursing/acmsn.html	3.0	4 cr. Human Anatomy with lab 4 cr. Human Physiology with lab 4 cr. Microbiology with lab	4 cr. General Chemistry with lab	3 cr General Psychology	3 cr Statistics	6 credits of English Composition		
CA	Azusa Pacific	SEM	http://www.apu.edu/nursing/graduate/scan/admission/requirements/	3.25 overall	4 cr. Human Anatomy with lab 4 cr. Human Physiology with lab 4 cr. Microbiology with lab	3 cr. Biochemistry 3 cr. Organic	3 cr General Psychology	3 cr Statistics 3 cr. Any research course	6 credits of Written/Verbal Communication Skills		Human Growth and Development (lifespan) GRE Computer literacy; completion of California Critical Thinking Test
CA	Samuel Merritt	SEM	http://cms.samuelmerritt.edu/nursing/elms_nursing	3.0 overall; 2.5 in science prereqs	4 cr. Human Anatomy with lab 4 cr. Human Physiology with lab 4 cr. Microbiology with lab	4 cr. General Chemistry with lab	3 cr Lifespan Psychology 3 cr. Sociology or Anthropology	3 cr Statistics	6 credits of English Composition and English Literature 3 credits of Interpersonal Communication	3 cr. Nutrition	GRE Nurse Entrance Test; CPR/1 st Aid;
CA	Sonoma State University	SEM	http://www.sonoma.edu/demsn/	3.0	4 cr. Human Anatomy 4 cr. Human Physiology 4 cr. Microbiology	4 cr. General Chemistry		3 cr. Statistics			3 cr. Human Growth and Development (lifespan); Certified Nursing Assistant credential
CA	Univ of San Diego – Hahn School of Nursing & Health Science	SEM	http://www.sandiego.edu/academics/nursing/mepn.php	3.0 overall	4 cr. Human Anatomy with lab 4 cr. Human Physiology with lab 4 cr. Microbiology with lab		3 cr General Psychology 3 cr. Developmental Psych Cultural Anthropology	Statistics	English Composition Speech/Public Speaking		GRE
CA	University of San Francisco	SEM	http://www.usfca.edu/nursing/programs_of_study/msn_program_for_m_ba_bs_non_nursing_msn.html	C or better in all prereqs	4 cr. Human Anatomy with lab 4 cr. Human Physiology with lab 4 cr. Microbiology with lab		3 cr General Psychology 3 cr. Developmental Psych or Human Growth and Development 3 cr. Sociology or Anthropology	3 cr Statistics	6 credits of English and Speech	3 cr. Nutrition	GRE Nursing Assistant credential;
CA	Western University of Health Sciences	SEM	http://prospective.westernu.edu/nursing-msn-entry/requirements	3.0 GPA	4 cr. Human Anatomy with lab 4 cr. Human Physiology with lab 4 cr. Microbiology with lab		3 cr General Psychology 3 cr. Sociology or Anthropology;	3 cr Statistics	6 credits of English and Speech	3 cr. Nutrition	GRE

INFORMATION ON DIRECT ENTRY MASTERS IN NURSING PREREQUISITE

(3 semester hours/credits = 5 quarter credits)

State	College/ University	QTR or SEM	URL	GPA	Biology	Chemistry	Social Sciences including Psychology	Statistics	English/Communication	Nutrition	Other
CT	Yale University	SEM	http://nursing.yale.edu/Academics/GEP/N/	C or better in all prereqs	Anatomy & Physiology recommend		Recommended	Recommended			GRE; Research course recommended; Licensure steps must be in progress
DC	Georgetown University	SEM	http://nhs.georgetown.edu/academics/BSN2nd/admininfo.html	3.2	4 cr. Human Anatomy & Physiology (B- or better) 4 cr. Microbiology (B- or better)	4 cr. General Chemistry (B- or better)	3 cr. Abnormal Psychology (C or better) 3 cr. Ethics (C or better) 3 cr. Philosophy (C or better) 3 cr. Theology (C or better)	3 cr. (C or better)	6 cr. English I and II (C or better)		GRE
FL	Barry University	SEM	http://www.barry.edu/msn/admissions/Default.htm	3.0				Successful completion of one course that includes descriptive and inferential methods			GRE; Florida nursing license; English Assessment Test; Nursing research course; Personal interview; Computer with internet access; able to use Word, email, and internet
FL	University of Miami	SEM	http://www6.miami.edu/sonhs/grad/requirement.html	2.5	2 semesters of human anatomy & physiology Microbiology	One approved chemistry course with lab	Introductory Psychology Human Growth and Development	1 course		3 cr. Nutrition	College algebra; Florida nursing license
GA	Emory University-Nell Hodgson Woodruff School of Nursing	SEM	http://www.nursing.emory.edu/nursing/admissions/bsn/bsn_msn_senue.shtml	3.0 C or better in all prereqs	Anatomy & Physiology I and II (including lab) Microbiology (including lab)	General Chemistry I General Chemistry II (with an organic component)	Human Growth and Development	Introductory Statistics			GRE or MAT test scores; Interview
IL	DePaul University	QTR	http://las.depaul.edu/nursing/Programs/GraduatePrograms/index.asp	3.0	1 year of biology	1 year of chemistry (organic and inorganic)					GRE
IL	Rush University, Chicago		http://www.rushu.rush.edu/nursing/GE.html	3.0	Human Anatomy Human Physiology Microbiology	Organic Chemistry or Biochemistry	Introductory Psychology Developmental Psychology or Human Growth and Development	Statistics		Nutrition	GRE
IL	University of Illinois at Chicago	SEM	http://www.uic.edu/nursing/prospectivestudents/gep-admissions.shtml	3.0 C or better in all prereqs	8 cr. Human Anatomy & Physiology	4 cr. General Chemistry or Biology	6 cr. Social Sciences (2 different fields) 6 cr. Humanities (2 different fields)		6 cr. English Composition 3 cr. Introduction to Research Methods		GRE
MA	Boston College-William F. Connell School of Nursing	SEM	http://www.bc.edu/schools/son/programs/masters/admission.html	3.0	Anatomy & Physiology I and II w/ Lab Microbiology w/ Lab	Life Science Chemistry w/ Lab or Organic Chemistry w/ Lab	2 Social Sciences courses	Introductory or higher level Statistics course			GRE
MA	Northeastern University-Bouve College of Health Sciences	SEM	http://www.northeastern.edu/bouve/programs/cdirectentry.html	3.0 C or better in all prereqs	2 courses Anatomy & Physiology w/ Lab Microbiology w/ Lab	Introduction to Chemistry w/ Lab	2 courses of Social/Behavioral Sciences	Statistics (1 course that includes inferential statistics and hypothesis testing)			GRE or MAT; experience with patient care paid or voluntary recommended
