(3 semester hours/credits = 5 quarter credits)

State	University	URL	Qrt. / Sem.	GPA	GRE	Biology	Chemistry	Physics	Statistics	Psychology	Math	English	Volunteer Hours	Other
AL	Alabama State University	http://www.alasu.edu/Health_Sciences/default.aspx?id=15	Sem	2.7 overall, C minimum in prerequisites	Students who score higher than 450 on the verbal portion are exempt from the Graduate Writing Competency Test	General Biology w/ lab (8 sem.), Human Anatomy & Physiology (8 sem.)	*General Chemistry w/ lab (4 sem.)	College Physics w/ lab (4 sem.)	Intro to Statistics or Psychological Statistics (3 sem.)	Psychology (General, Developmental, Abnormal, or Upper Level) (12 sem.)	*Pre Calculus Algebra (3 sem.)	*English Composition (6 sem.), Intro to Lit (6 sem.)	40 hours in two different settings	-Introduction to Computer Science (3 sem.) - Public speaking (3 sem.) - Art course (3 sem.) - Sociology (3 sem.) - Medical Terminology (3 sem.)
AL	Tuskegee University	http://www.tuskegee.edu/Globbal/category.asp?C=52460	Sem	2.7 overall, C minimum in prerequisites	Completed within the last five years	Biology with lab (general, cell and genetic, Human Anatomy & Physiology) (7 sem.)	General College Chemistry with lab (4 sem.)	Elementary Physics with lab (8 sem.)		Psychology (Introduction, Developmental & Abnormal) (9 sem.)	College Algebra and Trigonometry or higher (4 sem.)	English Composition (6 sem.) & Professional & Technical Writing (5 sem.)	40 hours of observation or work experience w/ registered / licensed occupational therapist	- Additional courses: *Public speaking, *Art, *Medical Vocabulary, *Political Science or Business, *Reading, *Computer Application, *Healthcare Systems, and *Ethics
AL	U of Alabama at Birmingham	http://main.uab.edu/shrp/default.aspx?id=32644	Sem	3.0 overall, C minimum in prerequisites	Minimum score of 1000 (500 in each verbal and quantitative), Completed within the last five years	Biology (3-4 sem.) or chemistry Human Anatomy and Physiology (8 sem)	Chemistry (3-4 sem.) or biology	Physics w/ lab	Statistics (3-4 sem.)	Psychology (Developmental & Abnormal) (6 sem.) Psychology or Sociology or Anthropology (9 sem.)		English Composition (3 sem.) Literature (3 sem.)		- Additional courses Computer Science w/ lab, Medical Terminology and Public Speaking -Some courses must be completed within the last seven years; basic science coursework that were taken seven years ago must be repeated. Some courses have to be completed within the last 10 years.
AL	U of South Alabama	http://www.southalabama.edu/alliedhealth/ot/index.html	Sem	3.0 overall, C minimum in prerequisites	Completed in past 5 yrs.	General Biology with lab (4 sem.) *Human Anatomy & *Physiology (8 sem.) Kinesiology (3 sem.)	*Extra points given to the Chemistry I /II w/lab	*Extra points given to Physics I / II w/ lab	Statistical Reasoning or Applied Business Stats (3 sem.)	Psychology (General, Developmental, & Abnormal) (9 sem.)	Pre Calculus Algebra (3 sem.)	English Composition (6 sem.)	Extra points are given to applicants who complete observation hours with a licensed occupational therapist	-Additional courses: Computer Applications, and Public Speaking. -*Anthropology (+300), *Microbiology, *Sociology (+300), *Pathophysiology, and *Medical Terminology, Extra points are given to an applicant who has completed any course(s) from a specified list with a grade of "B" or higher.
AR	U of Central Arkansas	http://www.uca.edu/divisions/academic/chas/ot.html	Sem	2.75 minimum		General (4 sem.), Human Anatomy & Physiology (4 sem.), Microbiology (3/4 sem.)	Physiological Chemistry (4 sem.)	Applied Physics (4 sem.)	Psychological or Sociological (3 sem.)	Psychology (General, Developmental or Lifespan Development) (3 sem.)	College Algebra (3 sem.)	Intro. to College Writing (3 sem.) , Academic Writing (3 sem.)	Minimum of 20 hours as a volunteer in one setting with an occupational therapist	- Additional courses: *Medical Terminology (1 sem.), Intro to Neuroscience, Psychology or Sociology
AZ	Arizona School of Health Science	http://www.atsu.edu/ashs/programs/occupational_therapy/prerequisite_site_courses.htm	Sem / Qtr.	2.5 cumulative GPA, 2.5 science GPA	Must be completed with in three years. (optional for those with GPA's above 3.0)	Human Anatomy w/lab (4 sem. / 6 qtr.) Biology w/ lab (4 sem. / 6 qtr.)	+ Alternative science hours Biology, Chemistry, or Physics (3 sem. / 4 qtr.)			Human Development+one additional courses Intro to General Psychology, Abnormal Psychology (6 sem. / 8 qtr.)	College Algebra or higher (3 sem. / 4 qtr.)	Two courses of Composition and Grammar / Literature (6 sem. / 8 qtr.)	Minimum of 20 contact / observation hours	- Additional courses: *Two Humanities courses (6 sem./ 8 qtr.) - Computer literate
