

# Materials Science Seminar

MAD Seminar Series & WWU Chemistry Department present

## Hydrogenation and Dehydrogenation Kinetics and Catalysts for Hydrogen Storage on Organic Liquids

*Presented by*

**Dr. Kevin J. Smith**

Department of Chemical Engineering and the  
Clean Energy Research Centre  
University of British Columbia

*Please join us for this interdisciplinary discussion session. All are welcome! If you are interested in attending dinner with the speaker please contact the event host at [Mark.Bussell@wwu.edu](mailto:Mark.Bussell@wwu.edu).*

**Friday, March 4<sup>th</sup>**

**3:15pm in SL140 / Refreshments at 3:00pm in CB275**
