WAC 516-12-480 Appeals and appeals board.

(8) An appeals board has been established composed of one administrator; one faculty member; one staff member; and four students. Representation must be by the administrators, faculty union, staff unions, and associated students. Each member may be reappointed for a term. The appeals board will choose its own chairperson from its members.

(9) The appeals board will meet throughout the academic year dependent upon the volume of appeals. If an appeals board member has been notified of a meeting at least three days in advance and does not appear to participate, the other appeals board members may proceed with their duties in reviewing appeals. At least three appeals board members are required to conduct a review.
