<input type="checkbox"/> Cell Biology	<input type="checkbox"/> Development	<input type="checkbox"/> Embryology
<input type="checkbox"/> Other (Describe):		

### ***Research Project***

Research Project Professor:				
Number of credits for this project:	<input type="checkbox"/> Su	<input type="checkbox"/> Fall	<input type="checkbox"/> Wtr	<input type="checkbox"/> Spr
Title/Topic:				

1. Research Project Professor will give override for registration.
2. **Submit this form to the Biology Office, BI 315**
3. Use the phone/computer to register for Biol 395.

***Biol 395~ Biology Research Participation (1-4 credits)***

- ***Complete this form after discussing the research work you will need to complete under a Biology Professor's direction.***
- ***Discuss how many credits you will earn.***
- ***Ask when the Biology Research Project Professor will enter an override so you can register for the class.***
- ***Register for Biol 395 at or after your Registration appointment time.***
- ***You must register for Biol 395 before the last day to "add classes". After this date, you must take the attached card to the Registrar's Office, OM 230.***
- ***Turn this completed form into the Biology Office, BI 315. The Biology Department needs a record of your research project title.***
- ***Enjoy your work 😊***
