Dear WWU Parent,

Greetings from Western Washington University! Our department is very excited to be offering finals week care packages for your student in Winter 2016 which is March 14-18, 2016. We are proud to be able to provide this service on a quarterly basis to the parents and students of WWU. We started this tradition 17 years ago to help support various student programs such as intramural sports, instructional classes and to purchase open recreation sports equipment. Last year we had over 10,500 student participants in our programs. Our department hires approximately 250 student employees each quarter, this fundraiser helps us employ more students. The money fundraised by our office goes directly back to the students.

To see a photo of the packages we are offering this quarter please go to: www.wwu.edu/campusrec and click on the Survival Package link on the left side of the page. A generous selection of tasty treats just in time for finals week is always appreciated by your student. Plus you get to add a personal note sending your love and encouragement.

Ordering is a snap. Just fill out the attached order form below, then fill out the green card and write your message on the back of the card. Your package will be prepared and distributed just in time for exams.

We’re aiming for 100% parent participation this quarter!
