

## THEY SERVED US. LET'S SERVE THEM.

Did you know that approximately 33% of all homeless males in American are identified as veterans of our military? This staggering statistic is just one of the reasons to honor our servicemen and servicewomen this Veterans Day by signing up to give to a CFD member charity that specializes in helping our wounded and displaced warriors.

Look on PAGE 2 of this flyer and check out some of our charities that are currently helping veterans all over our great country.

For more information on charities that provide veteran services in our program visit:
