MANDATED BENEFITS

If You are enrolled in this Insurance Program, Policy coverage also includes the following benefits, all subject to the Policy Aggregate Limit, unless provided otherwise, and is subject to Policy Deductibles, limitations and exclusions where applicable.

(Notes: Wellness/preventive benefits under the Affordable Care Act (ACA) are required to meet federal regulations. Under ACA, states retain the ability to mandate benefits beyond those established by the federal mandate. Please see the Schedule of Benefits for coverage details.)

Mandated Benefits

Benefits for Reconstructive Breast Surgery; Mental Disorders and Chemical Dependency; Diabetes treatment; Mammography; Prostate Cancer screening; Phenylketonuria treatment; Self-administered Anti-cancer medications; Alternative care for Hospital Confinement; and Cancer Clinical Trials.

PREFERRED PROVIDER INFORMATION

By enrolling in this Insurance Program, you have the Cigna PPO Network of Participating Providers, providing access to quality health care at discounted fees. To find a complete listing of Cigna PPO Network of Participating Providers, go to www.cigna.com, or contact Consolidated Health Plans at (413) 733-4540, toll-free at (800) 633-7867, or www.chpstudent.com for assistance.

"Preferred Providers" are the Physicians, Hospitals and other health care providers who have contracted to provide specific medical care at negotiated prices.

If care is received within the Network from a Preferred Provider, all Covered Medical Expenses will be paid at the Preferred Provider level of benefits found on the Schedule of Benefits.

In the case of an Emergency, if an Out-of-Network Provider is used, the In-Network percentage in the Schedule of Benefits will be applied.

A Covered Person is not required to seek treatment from a Preferred Provider. Each Covered Person is free to elect the services of a Provider and Benefits payable will be made in accordance with the terms and Conditions of this benefit.

"Preferred Allowance" means the amount a Preferred Provider will accept as payment in full for Covered Medical Expenses.

"Out-of-Network" providers have not agreed to any prearranged fee schedules. Insured's may incur significant out-of-pocket expenses with these providers. Charges in excess of the insurance payment are the Insured's responsibility.

COORDINATION OF BENEFITS

This section applies to all benefits except Prescription Drugs. The Policy Year is the basis for consideration of claims. This provision will be used when the Benefits the Covered Person would receive under this Policy plus those received under other plans would exceed the total Allowable expense. If the Benefits provided under all Plans exceed the Allowable expense, We will reduce Our Benefits so that the total benefit received from all plans does not exceed 100% of Allowable expenses. When Benefits are reduced under the primary plan because the Covered Person did not comply with the plan provisions, the amount of such reduction will not be considered an Allowable expense.

SUBROGATION AND RECOVERY RIGHTS

If We pay Covered Expenses for an Accident or Injury You incur as a result of any act or omission of a third party, You are obligated to reimburse Us for the expenses paid. We may also take subrogation action directly against the third party. Our reimbursement rights are limited by the amount You recover. Our reimbursement and subrogation rights are subject to deduction for the pro-rata share of Your costs, disbursements and reasonable attorney fees. You must cooperate with and assist Us in exercising Our rights under this provision and do nothing to prejudice Our rights.

- Required for reasons other than the comfort or convenience of the Covered Person or Provider; and
- Of demonstrated medical value and medical effectiveness.

A Covered Service is Medically Appropriate if it is rendered in the most cost-effective manner and type of setting appropriate for the care and treatment of the Condition. The Reasonable Charge is determined by comparing charges for similar services to a national database adjusted to the geographical area where the services or procedures are performed, by reference to the 80th percentile of Fair Health Inc. schedules. The Insured Person may be responsible for the difference between the Reasonable Charge and the actual charge from the Provider.

For a Provider who has a reimbursement agreement, the Reasonable Charge is equal to the Preferred Allowance under any reimbursement agreement with Us, either directly or indirectly through a third party, as described in the Preferred Provider Benefit provision. If a Provider accepts as full payment an amount less than the rate negotiated under the reimbursement agreement, the lesser amount will be the maximum Reasonable Charge.
