COMMUNITY-WIDE SAFETY
Safety is a community-wide effort. Campus members are encouraged to help stop crime by reporting it to the University Police.

If you are concerned that someone may pose a safety risk to you or the campus in general call the SAFE Campus number 650-SAFE (650-7233).

Support services are available on campus for victims of crime and may be accessed via a 24-hour help line.

To stay safe, avoid places or activities that provide a criminal the opportunity to commit a crime against you.
