Overview
This user guide instructs employees in overtime-eligible, temporary hourly positions in how to complete their time sheets electronically in Web4U. There are links throughout this guide that link to other pages within the document, as well as outside websites, so the user guide is best utilized electronically. These rules/guidelines apply to all applicable employees, however, rules are superseded by the Administering Work and Leave Time Reports policy and the Collective Bargaining Agreements if you are covered by a union.

Employee Types
The following lists the different types of temporary hourly positions along with corresponding job class codes:

- Classified Temporary Hourly – C3
- Professional Temporary Hourly – E3

If you are unsure of the classification of your position, refer to your employment offer letter or ask your supervisor.

Workweek
Western’s workweek starts at 12:01 a.m. on Monday and ends at 12:00 midnight the following Sunday.

Pay Periods
Pay periods are the 1st to the 15th and the 16th to the last day of each month.

Pay Dates
Pay dates are the 10th and 25th of each month with the exceptions listed below. Compensation for work performed from the 1st to the 15th is paid on the 25th of the same month. Compensation for work performed from the 16th to the last day of the month is paid on the 10th of the following month.

- If the 10th or 25th lands on a Saturday, pay day will be the previous Friday.
- If the 10th or 25th lands on a Sunday, pay day will be the following Monday.
- If the 10th or 25th lands on a holiday, pay day will be the previous “non-holiday” weekday.

Click here for a list of the current pay dates.

Holiday Pay
Temporary hourly employees are not paid for holidays unless you work on the holiday. You are paid your regular hourly rate for work performed on a holiday unless the hours worked exceed forty (40)
hours in a workweek (see Workweek above). Hours worked over forty (40) in a workweek are paid at an overtime rate (see Overtime Pay below).

**Leave Balances**
Leave balances can be viewed online via Web4U by following these instructions:

- Login to Web4U
- Select Employee tab
- Select View Leave Balances

Leave balances can also be viewed on the bottom of the earnings statements emailed to you each pay period. If you have any questions or concerns regarding your leave balances, call 360-650-7713.

**Types of Earnings & Leave**
Your time sheet allows you to report various types of earnings and leave. Information about each type are detailed below. To report any of the below earnings and/or leave on your time sheet, see instructions below for Entering Hours Worked on Your Time Sheet and Entering Sick Leave Taken on Your Time Sheet.

**Hourly Regular Pay (YR)**
- Report all hours worked in the current pay period (see Pay Periods above) up to forty (40) hours in a workweek (see Workweek above) as “Hourly Regular Pay”.
- Report “Hourly Regular Pay” on the day hours were actually worked.
- Do not report meal breaks lasting thirty (30) minutes or more.
- If you have regular hours to report from a prior pay period, see Late Hourly Time below.

**Overtime Pay (OVT)**
- Working overtime must be pre-approved by your supervisor. Complete a Request for Overtime and Hours Over Appointment Approval form prior to working overtime.
- Report all hours worked in the current pay period (see Pay Periods above) over forty (40) hours in a workweek (see Workweek above) as “Overtime Pay”.
- Report “Overtime Pay” on the day overtime was actually earned.
- Overtime is paid at 1 ½ times your hourly rate of pay.
- The start and end dates for each pay period may fall within the middle of a workweek, so it may be necessary to view prior time sheets in order to calculate a full workweek of hours worked to determine if overtime was earned.
- You can track all your hours worked each workweek in one or multiple positions using the Weekly Hours Tracker tool.
• Report overtime in the “Overtime Pay” row of your time sheet ONLY; do not ALSO record these hours in the “Hourly Regular Pay” or “Late Hourly Time” rows or you will be overpaid.

• If you have overtime to report from a prior pay period, report the hours as “Overtime Pay” on any day of your current time sheet and enter comments indicating the actual date(s) and time overtime was earned (see Entering Comments on Your Time Sheet section below).

WA State Sick Leave (WSL)
• Overtime-eligible, temporary hourly employees accrue one (1) hour of sick leave for every forty (40) hours worked.
• There is a ninety (90) day waiting period after the start of your employment to take sick leave.
• You must notify your supervisor if you know ahead of time that you plan on taking sick leave (see instructions below on Requesting Leave).
• Review your Leave Balances to ensure leave is available to use. Sick leave reported that exceeds your available balance will result in your paycheck being docked pay.
• If you have sick leave to report from a prior pay period, report the leave on any day of your current time sheet and enter comments indicating the actual date(s) the leave was taken (see instructions below for Entering Comments on Your Time Sheet).
• Refer to the Employee Paid Sick Leave Notification for appropriate usage and other information.

Late Hourly Time (LHR)
• Report “Late Hourly Time” for hours worked in a prior pay period that didn’t get reported on the correct time sheet.
• Report “Late Hourly Time” on any day of your current time sheet (you can enter a maximum of 24 hours per day by entering 12:00 AM to 12:00 AM).
• Enter comments indicating the actual date(s) and time the hours were worked (see Entering Comments on Your Time Sheet section below).

Requesting Leave
You must notify your supervisor if you know ahead of time that you plan on taking sick leave. To request leave, it’s recommended you complete the Leave Request Form and submit to your supervisor.

Time Sheet Deadlines
Time sheets must be submitted for approval by 11:59 p.m. on the last day of each pay period (15th and the last day of each month). Once you access your time sheet (see Accessing Your Time Sheet below), the top will show the Submit By Date. The Submit By Date is the date and time your time sheet must be submitted for approval.
