

If you are applying for the Bachelor of Science major, please complete the section below. If you are applying for the Bachelor of Arts majors, skip to page 3. For combined degrees (Journalism, Economics, Elementary Education), skip to page 4.

Bachelor of Science

Environmental Science

_____Area of Interest (such as Terrestrial Ecology, Freshwater Ecology, Marine Ecology, Environmental Toxicology, Environmental Chemistry, undecided, etc.)

Complete the following.

For each of the prerequisites listed below, indicate whether you have completed the course (**with a C- or better**), you are in the course currently, or you have not completed it (Future). Also indicate the course number or equivalent and the College or University where you took the course. For AP credit, put "AP" in the College column. The Notes column is for any special circumstances you wish to indicate.

	Completed (Indicate Grade)	Current	Future	Course #	College or University	Notes
Biology 204						
Biology 205						
Biology 206						
Chemistry 121						
Chemistry 122						
Chemistry 123						
Calculus (Math 124)						
Phys. Geography (203) or Geology (211)						
Political Science						
Economics (Econ 206)						
Writing Course (BCOMM)*						

* See Block B of the Communication section of the General University Requirements (see http://www.acadweb.wvu.edu/advising/gur_comm.html for a full listing of classes fulfilling this prerequisite). Note that English 101 may not be used to fulfill this requirement.

Bachelor of Arts

- Planning and Environmental Policy Major**
 - Planning Track
 - Policy Track
 - Emergency Planning and Hazards Mitigation Track (Emergency Management)

- Environmental Education Major**
 - Outdoor Education and Interpretation Track
 - Community Education and Mass Communication Track

- Geography Major**
 - Human and International Geography Studies Track
 - Environmental and Resource Management Track
 - Geography/Social Studies Major (Secondary Education)

- Student/Faculty Designed Major**

Complete the following:

For each of the prerequisites listed below, indicate whether you have completed the course (**with a C- or better**), you are in the course currently, or you have not completed it (Future). Also indicate the course number or equivalent and the College or University where you took the course. For AP credit, put "AP" in the College column. The Notes column is for any special circumstances you wish to indicate.

	Completed (Indicate Grade)	Current	Future	Course #	College or University	Notes
Biology 101 (or above)						
Chemistry 115 or 121						
Additional Lab Science*						
Math 114 or 156						
Statistics						
Phys. Geography (203) or Geology (211)						
Political Science						
Economics (Econ 206)						
Writing Course (BCOMM)**						

* Astronomy may not be used as an additional lab science.

** See Block B of the Communication section of the General University Requirements (see http://www.acadweb.wvu.edu/advising/gur_comm.html for a full listing of classes fulfilling this prerequisite). Note that English 101 may not be used to fulfill this requirement.

Combined Degrees

Combined Majors:

- Elementary Education (BA in Education)**
 - Env. Studies Major**
 - Geography Major (Geography elementary major has no preparatory coursework req'd)**
- Environmental Studies/Economics (BA in Economics)**
- Environmental Studies/Journalism Major (BA in Journalism)**

Complete the following:

For each of the prerequisites listed below, indicate whether you have completed the course (**with a C- or better**), you are in the course currently, or you have not completed it (Future). Also indicate the course number or equivalent and the College or University where you took the course. For AP credit, put "AP" in the College column. The Notes column is for any special circumstances you wish to indicate.

Environmental Studies/ Economics or Elementary Education						
	Completed (Indicate Grade)	Current	Future	Course #	College or University	Notes
Biology 101 (or above)						
Chemistry 115 or 121						
Additional Lab Science*						
Math 114 or 156						

Environmental Studies/Journalism						
	Completed (Indicate Grade)	Current	Future	Course #	College or University	Notes
Biology 101 (or above)						
Chemistry 115 or 121						
Additional Lab Science*						
Math 114 or 156						
Statistics						
Phys. Geography (203) or Geology (211)						
Political Science						
Economics (Econ 206)						
Writing Course (BCOMM)**						
Jour 207						Can also count as BCOMM course

* Astronomy may not be used as an additional lab science.

** See Block B of the Communication section of the General University Requirements (see http://www.acadweb.wvu.edu/advising/gur_comm.html for a full listing of classes fulfilling this prerequisite). Note that English 101 may not be used to fulfill this requirement.

Format for Questions 2(a) and 2(b) on Page One

Please follow the following format for questions 2(a) and 2(b) on page one. Submit on two separate sheets of paper (they are rated separately). If you have questions, contact Kathryn Patrick at kathryn.patrick@wwu.edu or (360) 650-2817.

**Question 2
Part (a) Relevant Experience**

Name
Student Number

Relevant Experience: (list in order of relevance)

- **Experience 1** **Year and Duration of Experience**
Two or three sentences explaining how this experience is relevant to Huxley.
- **Experience 2** **Year and Duration of Experience**
Two or three sentences explaining how this experience is relevant to Huxley.

**Question 2
Part (b) Essay (separate page)**

Name
Student Number

Essay

Write a one to two page essay explaining what your career goals are and how you think Huxley College can assist you in achieving these goals. This essay can be one-and-a-half spaced or double-spaced.

The essay will be rated and ranked to determine your admission. The essay is also important in assigning advisers so that we can match your faculty adviser to your interests and goals.

Additional Information

Transfer students:

All students applying to Huxley College must meet the specific prerequisite requirements for their program.

Students who complete the Direct Transfer Agreement (DTA) associate degree prior to initial enrollment at Western ordinarily will satisfy all of Western's General University requirements. Students holding any other associate degree must fulfill Western's General Education Requirements. See the WWU General Catalog or admissions website for information on transfer guidelines.

Students holding a B.A. or B.S. degree from an accredited college or university who are working toward a second Bachelor's degree will be considered as transfers who have completed the GURs but not preparatory coursework.

Contact Information:
