Additional Information

Admission to Huxley College on the Peninsula and its majors is selective and based on the following criteria: 1) completion of transferable AA or Bachelor's degree, 2) completion of required preparatory course work, 3) academic performance (GPA), 4) a brief essay in response to given questions regarding relevant experience and career goals.

Transfer students:

Students who complete the Washington State Direct Transfer Agreement (DTA) associate degree prior to initial enrollment at Western ordinarily satisfy all of Western's General University Requirements (GURs). Students holding other associate degrees must fulfill Western's General Education Requirements (GURs). See the WWU General Catalog or admissions website (listed below) for information/transfer guidelines.

Students holding a B.A. or B.S. degree from an accredited college or university who are working toward a second Bachelor's degree will *generally* be considered as transfers who have completed the GURs.
