

Subject: information of JSED2008

17 January 2008

Call for "POSTERS" to Colleague in Oversea Sister Universities of Muroran Institute of Technology in Pan-Pacific area

Dear Sir,

We are pleased to recommend you to participate in the Joint Seminar on Environmental Science and Disaster Mitigation Research 2008 (JSED2008) to be held at Muroran Institute of Technology in Muroran, Hokkaido, Japan, on the 7th of March 2008.

We welcome you to a Poster presentation in JSED2008. Poster presentations describing original research in the following areas are welcome:

Topics

- I Environmental Contaminants Treatment
- I Environmental Toxicity Evaluation
- I Hydrogen Energy Application
- I Natural Resources Energy Application
- I Environmental Assessment
- I Human Dimension of Environment
- I Conservation of Field Environment
- I Disaster Prevention
- I Emergency Management
- I Recycling of Waste Materials
- I Other Environmental Issues

Before submitting poster abstracts, please note the followings:

- Abstracts should be two A4 pages.
- All abstracts must be submitted to jsed2008@mmm.muroran-it.ac.jp via email by 31 January 2008.
- At least one of the abstract authors must be present at the seminar.

Guidelines for preparing your abstracts:

- Abstract sample template is available by enclosed format and/or from web site of CEDAR in English version? (<http://www.muroran-it.ac.jp/cedar/en/index.html>).

Note: Financial support for young foreign scientists in overseas sister universities would be considered based on their application.

All questions pertaining to the poster session in JSED2008 should be directed to Dr. K. Sawada (ksawada@mmm.muroran-it.ac.jp), Poster Chair of JSED2008 at Muroran Institute of Technology.

Best wishes,

Prof. Tatsuo IWASA,

Director of CEDAR and Chair of JSED2008

Department of Materials Science and Engineering,

Muroran Institute of Technology
