

Linguistics club

is putting on a potluck

potluck

to celebrate the end of the year! Everyone is invited, and people are encouraged to bring food from their country of study or country of origin. If you think of something you'd like to bring, email us at wwlinguisticsclub@yahoo.com so we can put it on our website (though spontaneity is fine too). If you're having trouble thinking of something to bring, go ahead and visit the "Potluck" page to see what dishes people are already bringing. The more the merrier, so come and enjoy good food and good company as we welcome free time back into our lives!

Boulevard Park (Near Fairhaven)
Wednesday, June 11 at 6pm
