About Us

- The Student Health Center at Western Washington University is a primary care medical clinic specializing in college health.
- We are a team of board certified family physicians, licensed nurse practitioners, nurses and administrative staff dedicated to supporting the well-being of each student.
- We provide an extensive array of services including preventive health care and management of health concerns, illnesses and injuries.
- We have over 100 same day appointments available each day
- We have lab services and dispense some prescription medications

Who Can Use Our Services?

- Eligible students who have paid the mandatory, quarterly Counseling, Health and Wellness fee have unlimited access to the Student Health Center, without charge for nearly all office visits. This includes:
  - Chronic disease diagnosis and management
  - Behavioral health and psychiatric care
  - Orthopedic/Injury care and rehab
  - Sexual health
  - Medical/mental health emergencies
  - Referral to specialists as needed
- We also provide some free over the counter medications and first aid supplies!

Where are We Located?

- The Student Health Center is located on the second floor of the Campus Services building on the south end of campus.

Hours of Service

Monday, Tuesday, Wednesday & Friday: 8:30 AM - 4:00 PM
Thursday: 9:30 AM - 4:00 PM
Saturday & Sunday: closed

After Hours

- WWU Consulting Nurse Line: 1-800-607-5501. Our after-hours telephone nurse consultation service is available at no charge. This service provides students with helpful information on a wide variety of health topics including recommendations for self-care when the Student Health Center is closed.
- On call physician is available as back up to the consult nurse line.
