FIFO -- First student into the waitlist is the first drawn out when a seat is available

Footnote 1:

Phase II: major specialties that cannot register for this class during phase I (see class access based on phases policy sheet for PEHR majors on KPE website, http://www.wvu.edu/pehr/Physical_Education/pdf/ClassAccess.pdf) register first come first served during phase II. If class is full, then a FIFO waitlist is operated.

Footnote 2:

DECREASED CLASS CAPACITY DURING PHASE I REGISTRATION MAY BE IMPLEMENTED TO ALLOW SPACE FOR POSSIBLE LATE REGISTERING TRANSFER STUDENTS. Once the opportunity for LATE REGISTERING students has passed, the course numbers may be increased depending upon open seats and class capacity. At that time, waitlist space will be operated on a first come first served basis.

Footnote 3:

Phase II: PEHR majors that include this class as an elective course for the major will register first come first served during phase II registration. If class is full, then a FIFO waitlist is operated.
