

Recreation Therapy Fieldwork/Internship
2009-2010 APPROVED PLACEMENT AGENCY SITES AND UNIVERSITIES

IMPORTANT NOTICE:

Casa Colina is no longer eligible for CA TR Student Interns. They have utilized a state certified proctor for the maximum number of years and currently do not have a full time employee certified through CBRPC and have made no attempts to have anyone go through the state certification process. Many attempts have been made to have someone at the agency become state certified.

Student's who complete an internship at this site, will not be eligible for state certification and will need to go through another agency with a state certified recreation therapist and complete a second internship to be eligible to take the state exam.

See attached updated Agencies and Universities

REMINDER-

We have a number of sites that have not renewed- Calls and notices have been sent and they have until the end of September to get them in. After that, they will be removed and have to re-apply as a new agency.

Do not send students to any of those sites, they risk not be approved for certification.
