SUSPICIOUS PERSON INCIDENT NEAR CAMPUS

An adult female student reported that at approximately 8:00 a.m. this morning she was contacted by a suspicious adult male driving an older red or burgundy colored Honda 4-door sedan. She said she was walking southbound on 34th Street near Bill McDonald Parkway when she was contacted by the man. She described the man as a white male in his 20’s, thin build and average height, with blue eyes was wearing a dark colored hoodie sweatshirt and had his hair covered by a gray beanie cap.

The man drove up and asked her for directions, then turned the conversation to describing the size of his genitals and asking her to look at them. The woman said there was no exposure of his genitalia. She then walked quickly away and left the area.

University Police referred the woman to report the incident to the Bellingham Police since it occurred in that jurisdiction.

Anyone with information regarding this incident or similar incidents is asked to contact the Bellingham Police Department at 360-778-8800 or the BPD tip line at 360-778-8611. If you have information about activity occurring on the WWU campus, reach WWU Police at 360-650-3555. For emergencies call 911.
