What you should know

- This trip plan works on **Weekdays Only!**
- **Use the websites below for Trip Planners, and to confirm routes and times.**
- Be at the bus stop a few minutes early.
- The 80X *shuttle* through campus operates only when WWU classes are being held, only during the academic year. Alternatively, board the 80X to Mt Vernon at the Bellingham Downtown Station.
- **Pay exact fare with coins or dollar bills;** drivers do not give change.
- Know where you are going; look at bus routes or maps.
- Plan your options if you miss a bus
 - Is it the last bus of the day?
 - When does the next bus arrive?
- There are three legs to this route:
 - Bellingham – Mt Vernon (WTA 80X, www.ridewta.com)
 - Mt Vernon – Everett (Skagit Transit 90X, www.skagittransit.org)
 - Everett – Bellevue (Sound Transit 532, www.soundtransit.org or www.commtrans.org)
- Transit Centers in Mt Vernon and Everett are transfer points. These are small and easy to navigate. Look for the posted route signs indicating the parking space for your arriving bus. If a bus is already waiting check the front of the bus to confirm the route number.
- Talk to the bus driver if you're concerned about **catching a connecting bus** on time, or if you're not sure where to get off the bus.

Google Maps is another way to acquaint yourself with the route you plan to use, <http://maps.google.com> . Choose “Get Directions” and type an exact address or a street/city name. Use the bus icon to identify routes and stops.

If you travel to the Seattle area frequently, you may want to purchase an ORCA CARD that allows you to travel on Seattle area transit systems without using cash. Go to www.orcacard.com for details.

Other Options

Amtrak and Greyhound are alternatives to this route *as far as Everett*. The Amtrak/Greyhound station is located at the Fairhaven Transportation Center, 401 Harris Avenue, Bellingham. Tickets are sold at the station or online, www.amtrak.com , www.greyhound.com. Transportation from campus to the Fairhaven Transportation Center is served by WTA routes 1 and 14. Check WTA schedules for details.
