1) Previous citation(s) issued on campus.
2) Because of the infrequency of violations.
3) 10G/8G permits required all hours, seven days a week.
4) Call University Police at x3555 for after-hours parking and a Green Coat Escort.
5) “R” lot permits only required in residential lots 24/7.
6) Due to the validity of your appeal.
7) Legal spaces include those directly in front of a cement wheel stop, between two rows of “buttons,” between two painted lines, or where specifically signed for parallel parking. No parking in any other location; areas not signed are considered no parking zones.
8) Permits required in this area. If loading zones are full, please obtain a free 20 minute temporary permit. Permits are issued at Parking Services.
9) A valid permit with correct date, time and location required. Permits must be acquired before parking. Permits are issued at Parking Services.
10) It is the drivers’ responsibility to correctly display parking permits so that all information is clearly visible to enforcement officers. Permits must be displayed off of the floor, car seats, in front of other items hanging from rear view mirror, below tint strips and with writing facing out.
11) Call Parking Services if meter isn’t working and/or move to the next meter.
12) If you are displaced from your assigned lot, please move to the next closest lot and call Parking Services or University Police. We can then honor your permit where you are parked and send enforcement officers to cite violators in the full lot.
13) If you park due to an EMERGENCY situation, please call Parking Services or University Police immediately.
14) Physical disabled parking spaces and ACCESS AISLES are strictly enforced!
15) Notes on vehicles are unacceptable according to Washington Administrative Code 516-12-440(10).
16) Other vehicle parked in the same area illegally is not a valid excuse.
17) It is the driver’s responsibility to provide ample time to park legally and in compliance with all parking regulations.
18) The Ridgeway Service Road is considered a prohibited area from 11:00PM to 6:00AM.
19) A vehicle’s registered owner is responsible for all citations issued to the vehicle.
20) Parking remains enforced all year, including during breaks and intersession.
21) The financial situation of an appellant has no bearing on the decision process.
22) Also, there are un-collectible or unpaid citations that are currently outstanding and past due.
23) Because it was your first citation.
24) High Street is a prohibited area 7:00AM to 9:00PM Monday through Friday.
25) Meters are enforced 24 hours, seven days a week. Permits are not valid at meters.
26) Lot 25G permits required all hours, seven days a week.
27) WWU After-Hours permit (for students) not valid until 7PM Monday through Friday.
28) A bus pass/WWU ID is not valid for parking.
29) Parking permit required all hours, please use pay station.
30) Permits are not required after 4:30PM Monday through Friday, and weekends in 12A/C lots.
31) You must purchase a permit from the pay-station to park in 6V all hours.
32) Reserved spaces are reserved 24/7 as posted, for the permit holder of that parking space.
33) The only legal parking on a fire lane is in front of a signed 20 minute load/unload zone.
34) Fire lanes are STRICTLY enforced; both sides of the road are part of the fire lane.
35) Previously un-cited parking in a lot is not a valid reason to park illegally.
36) Time parked is not a factor when cited due to "no permit."
37) Even if a parking lot is empty, a permit is required to park legally.
38) Void due to officer and/or office error.
39) You did not comply in a dismount zone as enforceable per WAC 516-13 or WAC 516-15.
Parking with an After-Hours Student Parking Permit

What you need to know about the Student After-Hours permit

- Permit is valid **AFTER 7PM** and only until 7AM Monday- Friday.
- Permit is valid all day on weekends.
- Permit is **restricted** to lots: 5G, 7G, 11G, 14G, 17G and 19G for students and is available only when those lots are **not** reserved for special events.
- The 10G lot is restricted to faculty/staff **only**.
- Space in the G lots is limited and is **not** guaranteed.
- Permit is **not** valid at meters, loading zones (over posted time), maintenance spaces, reserved spaces, and disability spaces.
- **To be a valid permit; your After-Hours Parking permit must be clearly displayed so the parking enforcement officer can easily see the front of it.**
- Your Western ID is **not** considered a valid permit.
- Bus passes are **not** valid for parking on campus at any time.

Other After-Hours Option

- “C” and “12A” (south campus gravel) lots are not enforced **AFTER 4:30PM** Monday- Friday and all hours on the weekends.
