DEPARTMENT OF LICENSING APPLICATION INSTRUCTIONS AND GUIDELINES Special License Plate applicants are required to be a registered or co-registered owner or lessee or co-lessee of the vehicle. A fee (and a subagent fee, if applicable) is charged to transfer specialized plates to another vehicle owned by the applicant. You may complete the transfer at any vehicle license office. When the specialized plates are transferred to another vehicle, the plates will assume the registration expiration date of the new vehicle.

- Destroyed, lost or stolen plates may be replaced. A plate fee is charged. Please contact your local vehicle licensing office for fee information.
- For additional LICENSING information, including fees, please contact your local vehicle licensing office.
- A combination of specialized plates is NOT allowed. (For example: A WWU plate on the front and a Mariner plate on the rear of a vehicle.)
