WINTER 2022 Math 204 Introduction to Linear Algebra

The white number on black background is the ordinal number of the particular class. That is, **1** means that the first class is on Tuesday, January 4. If two sections are listed in one day, then the corresponding assigned problems are separated by a boldface ; semicolon. For more details see the **Canvas page**. Please check the **class website** regularly since I will post updates to assigned problems regularly.
