

## Winter 2019: Textbook loan program for Math 309

- I will treat the book with utmost care. I will not write in the book. If the book becomes lost or damaged beyond normal wear and tear I will be responsible for the replacement of the book.
- I understand that Branko Čurgus supplies the assigned textbook for Math 309 Introduction to Proof in Discrete Mathematics. The textbook remains the property of Branko Čurgus.
- I agree that the textbook will be returned in good condition to Branko Čurgus at the time of the final exam. In the event that I discontinue attendance and drop the class I will return the book immediately.
- By signing this form I agree to return the loaned textbook in good condition. I further understand that if the textbook is not returned or it is not returned in good condition I will replace the book at my own expense. Branko Čurgus reserves the right to determine the condition of the books.

I received the book number  in  condition.  
new, excellent, very good, good
