In the past 24 hours, have you experienced any of the following symptoms that you cannot attribute to another health condition?

- New fever or feeling feverish (such as chills or sweating)
- New cough
- New shortness of breath
- New sore throat
- New headache
- New gastrointestinal symptoms such as nausea, vomiting or diarrhea
- New respiratory symptoms such as a runny nose
- New fatigue
- New muscle pain
- New loss of taste or smell

If you are sick or have any of the above symptoms:

- DO NOT come to any Western physical location. If you are on-site, you must leave the facility immediately.
- Contact your health care provider for medical guidance.

Please confirm by marking the boxes that you have read the above statement and are symptom free.

I read the above statement.

I attest that prior to coming to any Western physical location on today's date that I DO NOT have any of the above symptoms, nor am I aware that I have been exposed to someone with a confirmed case of COVID-19 who may or may not have these symptoms.
