**Project’s Strategic Priority by College / AS: 4 **
For proposals originating from a college, the dean must review, sign, and strategically prioritize that
batch of proposals. For proposals submitted by students, the AS Board follows a similar process.

AS President  Required for all student proposals, which are submitted to Associated Students (AS) VP for
Academic Affairs. Signifies that the AS Board has prioritized all student proposals.

Department Chair Required for all proposals from a specific department. Signifies that the department can
support the proposal as submitted.

Christopher Spicer

College Dean or Unit Head Signifies that the College or organizational unit can support the proposal as
described.

Space Administration Required for all proposals that require additional facilities or changes to existing
facilities. Signifies that all space-related issues have been addressed.

Vice Provost for Information Technology/CIO Required for all proposals related to all-university services
and all proposals not related to a specific discipline. Signifies that the technology support organizations and technical
infrastructure can support the submitted proposal.
