**Project’s Strategic Priority by College / AS: **

For proposals originating from a college, the dean must review, sign, and strategically prioritize that batch of proposals. For proposals submitted by students, the AS Board follows a similar process.

AS President  Required for all student proposals, which are submitted to Associated Students (AS) VP for Academic Affairs. Signifies that the AS Board has prioritized all student proposals.

Department Chair  Required for all proposals from a specific department. Signifies that the department can support the proposal as submitted.

College Dean or Unit Head  Signifies that the College or organizational unit can support the proposal as described.

Space Administration  Required for all proposals that require additional facilities or changes to existing facilities. Signifies that all space-related issues have been addressed.

Vice Provost for Information Technology/CIO  Required for all proposals related to all-university services and all proposals not related to a specific discipline. Signifies that the technology support organizations and technical infrastructure can support the submitted proposal.
