Hello and welcome to Western!

At Western Washington University, we encourage you to use sustainable transportation, such as walking, biking, carpooling, or taking public transportation. This page will help you explore walkable distance from your home.

1. Make your commute greener and healthier. The Associated Students Bookstore is a great place to shop for books and supplies. Their account for only $15/year (a savings of $75!). Join at zipcar. Learn more at campusdish.com.

2. Continuing with our sustainable transportation theme, we have a variety of Food Service options on campus, including coffee shops, marketplaces, and commons dining rooms. You can also apply to ride the Student Late Night Shuttle. The shuttle serves the area around the Western Washington University campus.

3. In addition to Food Service, we also have a variety of Transportation options available. For example, we have Employee Transportation, which supports active transportation by providing alternative transportation. Call 360-734-1144; for TTY 360-676-6844.

4. Free Bus Pass for One Month: The Associated Students Outdoor Center provides a variety of activities for students, including bus passes. You can pick up a Free Bus Pass for One Month by going to the Associated Students Outdoor Center.

5. In the Parking area, we offer parking permits. If you would like help locating carpool partners, check out wp.wwu.edu/vikingebike. Try one. They are available at the Associated Students Outdoor Center.

6. On-Campus Post Office: The Associated Students Outdoor Center also provides a variety of Transportation options, including On-Campus Post Office. You can pick up your mail here.

7. Experiment with expanding your circle or using concentric circles with those radii on your map and identify all the walkable distance from your home. For example, if you decide to walk to all the places that are inside the two-mile radius.

8. Continue adding locations until you routinely use alternatives to your car. For example, you might consider using the Student Late Night Shuttle to get to your destination.

9. We also have a variety of transportation options available on campus, including carpooling. You can apply to ride the Student Late Night Shuttle. The shuttle serves the area around the Western Washington University campus.

10. For more information, check out wp.wwu.edu/vikingebike. Try one. They are available at the Associated Students Outdoor Center.
